The purpose of the Work Session was to review and discuss the 4/4/08 Initial Working Draft of Chapter 27 – Zoning Ordinance from EDP. Because of time restraints, discussion only covered Article IV – District Regulations, paragraphs 27-401 through 27-409. There was some cross-reference to other Articles in the draft. Chris Knarr took notes to pass along to EPD. See attachment. Members were asked to provide comments on the rest of the Initial Working Draft to Chris Knarr by April 30th. The comments would then be consolidated by Chris and forwarded to EDP.
