West Nile Virus Mosquito Control Program

Mosquitoes
The DEP West Nile Grant this year included additional funds for specific educational resources. Cumberland and York Counties are using **billboards** and sign advertisements as alternative media to connect with the community.

- 06/16/14-07/13/14
  100 MARKET ST LEMOYNE SS/FW
- 07/14/14-08/10/14
  PA 641 0.7 MI E/O I-81 SS/FW
West Nile Virus Mosquito Control Program

When West Nile Virus is found present it is often considered necessary to conduct a County Evening Spray Control Program in coordination with DEP.

To better inform the public in areas that are scheduled for spraying, the County will be placing neighborhood notification signs the day of spraying.
www.ccpa.net/westnile on the yard sign brings a user to the County Webpage which shows the planned spray route.
West Nile Virus Mosquito Control Program

Spray activities are posted on the County Webpage Calendar.

Important Notice:

Regarding Nuisance Mosquitoes:

PA DEP NPDES permit limits areas that can be treated with truck mounted ULV as was done in prior years for nuisance mosquitoes.

Generally, areas in the South Mountain areas of the County can no longer be considered for truck ULV treatment due to the proximity of High Quality and Exceptional Value streams such as the Yellow Breeches and tributaries.

Barrier backpack sprayer applications may be given consideration as perimeter treatments.
West Nile Virus Mosquito Control Program

Collection Traps the County uses for Adult Mosquitoes.

"Light Trap"
- Dry Ice in Cooler
- Emits CO2
- 9 volt Battery on ground

"Gravid Trap"
- Tackle box has 9 volt battery and wiring inside

- White circular netting
- Black net interior top
- 9 volt battery attached
- Light Trap thermos hanging above
West Nile Virus Mosquito Control Program

Items around the home that contain water that are breeding sources for mosquitoes. **Dump or change this water** weekly or treat with an approved retail product.

Here are examples of the retail products available at local home and garden centers to place in water that cannot be dumped or removed. (No endorsement of any brand intended)

Always read the label and follow instructions.
West Nile Virus Mosquito Control Program

The Cumberland County Program:
